

# Information for VET Coordinators Supporting Secondary Students

*Do you have students passionate about animal care?*

The following information has been prepared to provide schools and VET Coordinators with the options available for high school students to study at Applied Vocational Training (AVT).

As a dedicated animal care training organisation, AVT offers VET pathway options to high school students to kickstart a career in the animal care industry.

## General information

<i>Provider</i>	AVT is a Registered Training Organisation (RTO 5273) operating within the legal authority of the National Vocational Education and Training Regulator Act 2011.
<i>Course offered</i>	The ACM20121 Certificate II in Animal Care has been assessed as appropriate for inclusion on the Department of Training and Workforce Development's <a href="#"><u>VET delivered to Secondary Schools funded list 2025</u></a> .
<i>Fees</i>	a. Limited DTWD funded places are available for eligible students. b. Full fee for service if funded allocations are exhausted and/or student is ineligible.

## The following AVT courses are suitable for secondary school aged students enrolled in compulsory education in Western Australia

### VETDSS On-Site Course

#### ACM20121 Certificate II in Animal Care (VETDSS High School)

This is an on-site course at Landsdale Farm in Darch, WA, best suited to Years 10 – 12 high school aged students who are passionate about a career working with animals.

- **Duration:** One semester ([view timetable](#))
- **Intakes:** February and July
- **Practical training:** 1 day per week at Landsdale Farm in Darch, WA
- **Course work:** Complete online eLearning from home and during classes
- **Prerequisite:** No prior qualifications are required
- **Fees:** Limited Jobs and Skills WA VETDSS funded places available. Full fee for service places may be available for student who are not eligible for funding.

### VETDSS Online Course

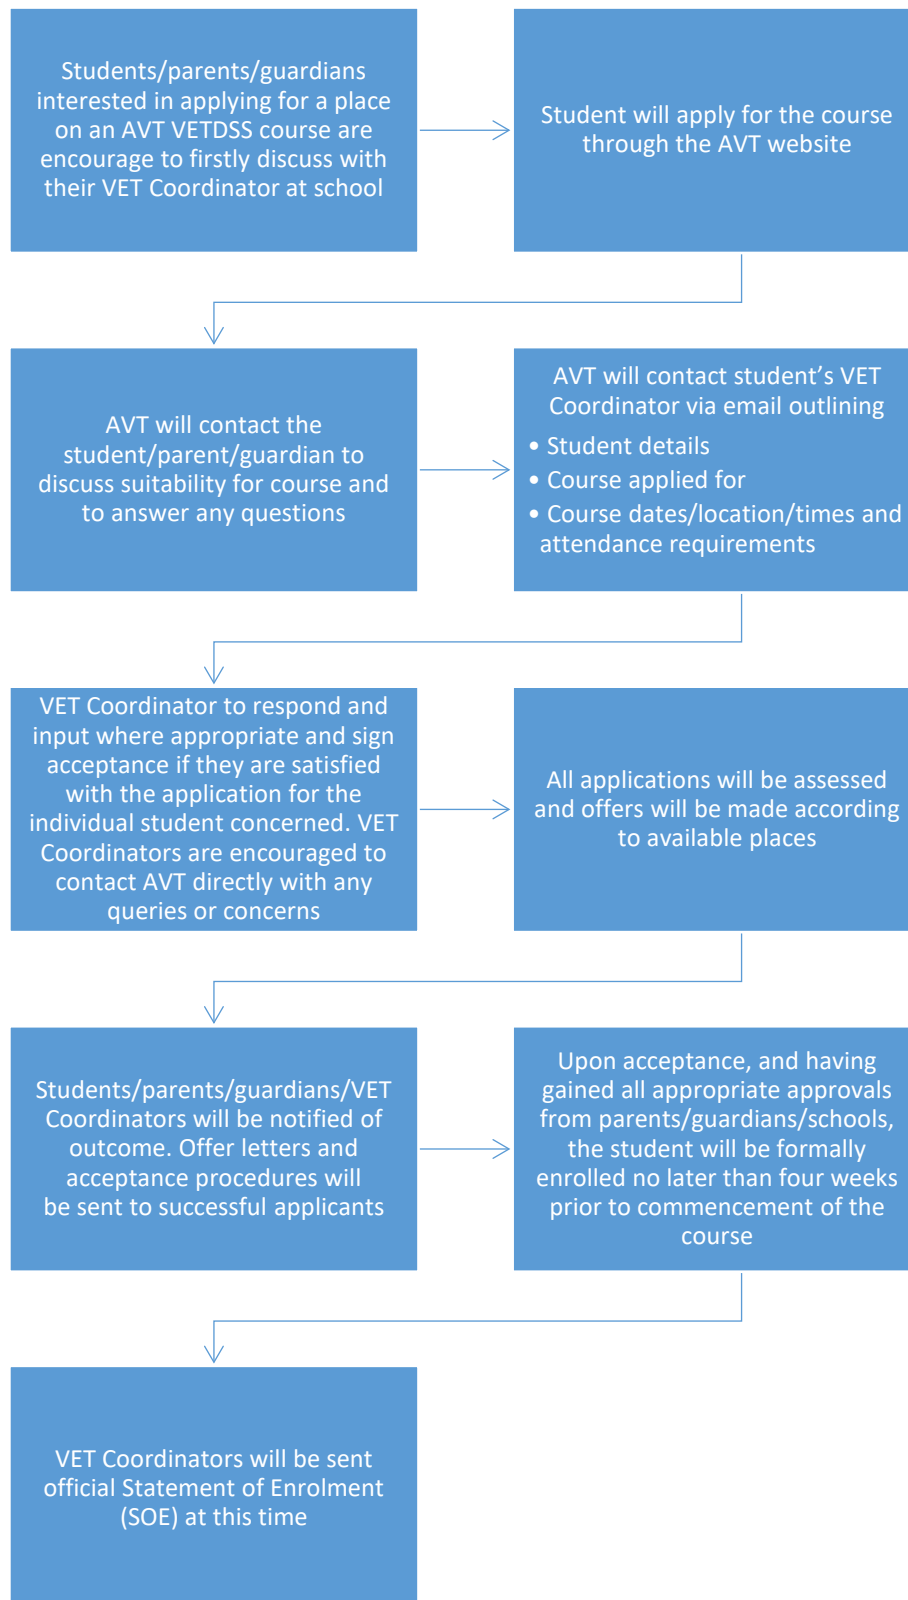

#### ACM20121 Certificate II in Animal Care – Online

Best suited to students who are not Perth-based or are unable to attend on-campus locations for weekly classes and practical training.

- **Study mode:** Online
- **Duration:** Up to 1 year
- **Start:** Flexible start date to suit you
- **Practical training:** At an Approved Workplace of your choice
- **Online study time:** Approx. 10-15 hours per week
- **Prerequisite:** No prior qualifications are required
- **Fees:** This is a fee for service course and there is no funding available. The course is completed online and there are no formal instruction hours. Students will complete their studies online, during school or after hours. Students will also complete approximately 100 hours in an appropriate workplace to gain practical experience. Work placements must be arranged by the student/parent/guardian/school and must be approved as a suitable workplace by AVT.
